

**ADDENDUM - MINUTES OF THE YAI ANNUAL GENERAL BODY MEETING**  
**20 DEC 2018**

1. Refer to the Minutes of the YAI AGM held on 20 Dec 18 at Kota House, New Delhi. The following is added to the Minutes of the AGM.

**Agenda No VI – Agenda Points for Discussion**

2. **Agenda No. 4A - Clarification on Formation of MISSION TASK FORCE 2020 (AYN)**. Col SK Kanwar of AYN brought out that in YAI mails, Mission Task Force 2020 has started appearing, however, there is no mention of the same in YAI website. The necessity and overlap of charter of this group with existing committee and subcommittee needs clarification.
3. The HSG briefed the General Body that with an aim of providing a focused approach in a fair and transparent manner, without any conflict of interest, towards winning medals at the Asian Games 2018 and Olympic Games 2020 qualification, the President YAI had appointed a three-member Task Force in Mar 18, comprising Dr Malav Shroff (an Olympian who is a co-opted Council Member and President Asian Sailing Federation), Rear Admiral Atul Anand, (HSG YAI) and Captain Ajay Narang (Chairman Events Committee, Asian Sailing Federation) to meet the above objectives. The Task Force was established under the YAI Council with a mandate to interact with relevant Committee Chairpersons to achieve the objectives of the YAI. The Task Force was to liaise with SAI, MYAS, IOA and other external agencies towards optimising the performance of current athletes for the Asian Games 2018, identify talent for Olympic Games 2020 and provide World Class Coaching to enable them to perform optimally. The Task Force had also been tasked to establish sustainable systems to produce youth talent for Olympic Games 2020 and beyond. He further highlighted that it is indeed very satisfying that due to the focused approach of the TF 2020, India won three medals at the ASC and AG 2018.
4. This addendum to the Minutes is issued with the approval of the President YAI.

  
(Atul Anand)  
Rear Admiral  
Honorary Secretary General
