He also informed the members regarding the Key Result Areas and Milestones set for the Indian Yachting players up to 2028, which are given below:

3. Further, it was informed that 4 sailors ( 3 men and 1 women) have qualified in 3 events for Tokyo Olympics. The sailors have requested for three boats (01 49er, 01, laser Standard and 01 laser radial). An amount of Rs.81.00 Lakh was considered keeping in view the peculiar nature of the game as these equipment are not manufactured in India.

4. In this regard, Deputy Secretary, MAYS informed that as per existing norms, NSFs can procure equipments, the value of which is below Rs.10.00 lakh. For items above Rs.10.00 Lakh, the procurement is to be made by SAI. Considering the urgency of procurement of equipment for Olympic bound athletes of Yachting discipline, a proposal will be sent to the Ministry for permitting the federation to make procurement in relaxation of norms.

5. Boats may be procured in a time bound manner to ensure timely availability for athletes subject to relaxation by MYAS. YAI would procure in a competitive and transparent manner by following GFR. The federation would maintain inventory and record of equipments and consumables. While procuring equipment and consumables quantity should be used for getting competitive prices but inventory should not be allowed to accumulate.

6. YAI may hire foreign coaches to train our coaches on short term basis in the events India is doing well at International level and also appoint Indian coaches to work along with the foreign coaches so that dependability on foreign coaches is minimised. The appointments may be done by following due procedure.
